Please can you ensure your children wear old clothes that they don't mind getting dirty. They can also bring in an apron for messy activities if desired. It would also be advisable to wear sensible footwear such as trainers. During wet play days, it would be advisable for children to bring a towel and spare set of clothes for the activity. Activities marked with (B) will take place at The Batt and children will be walked there and back to St Mary's by staff.

We do have water bomb balloons and some smaller water pistols, however, should your child want to bring their own, please make sure it is labelled and that they are responsible for them. As we will be playing outside for a considerable amount of time, please can you ensure your child has sun cream and a sunhat.

On Friday we will be providing a Pizza lunch with ice lollies also. There will be an additional charge of £3.00 to cover the cost of this. Alternatively, your child can bring a packed lunch as normal.

The cinema does have an additional charge of £3.00 for the ticket although we will provide popcorn, sweets and drinks. By booking this day, you are agreeing that your child can watch a PG film.

The Park, Crazy Golf and Pickleball trip will incur an extra charge of £4.00.

Groups will take part alternately in the morning and afternoon activities unless it is a trip. Should any of days be oversubscribed, priority will be given on a first come basis and whether other days in the week have been booked.

Early Club activities will include board games/Lego and the opportunity for supervised indoor play activities.

Late Club will include an extra snack and drinks. Activities will include art/craft, access to board games, Lego, and build activities. There will also be films available to watch on the projector screen which can be up to PG rated.
